Re: *United States of America v. Alberto Vallejo*
Case No. 05-CR-240

Copy hand-delivered
to chambers

Dear Judge Randa:

Please find enclosed for the Court's consideration at the sentencing hearing in the above matter scheduled for tomorrow a letter from the Waukesha County Technical College detailing Alberto Vallejo's accomplishments while incarcerated on this case. I am also filing a packet of certificates reflecting the successful completion of many programs which Alberto Vallejo has completed at the Waukesha County Jail. I ask that you consider these documents in reaching a decision at the sentencing hearing.

I do not have the capability to scan the documents in my office. Therefore, I am hand delivering this letter as well as all of the documents to the Clerk's Office with a copy to your chambers.

I am also serving a copy of this letter and the documents on Assistant United States Attorney Mario Gonzales by hand delivery today as well.

Sincerely,

THE HUNT LAW GROUP, S.C.
